

National Gallery Challenge

- You have a map of the National Gallery and 6 paintings to find.
- Find these 6 paintings and enter the painting number on your micro:bit:

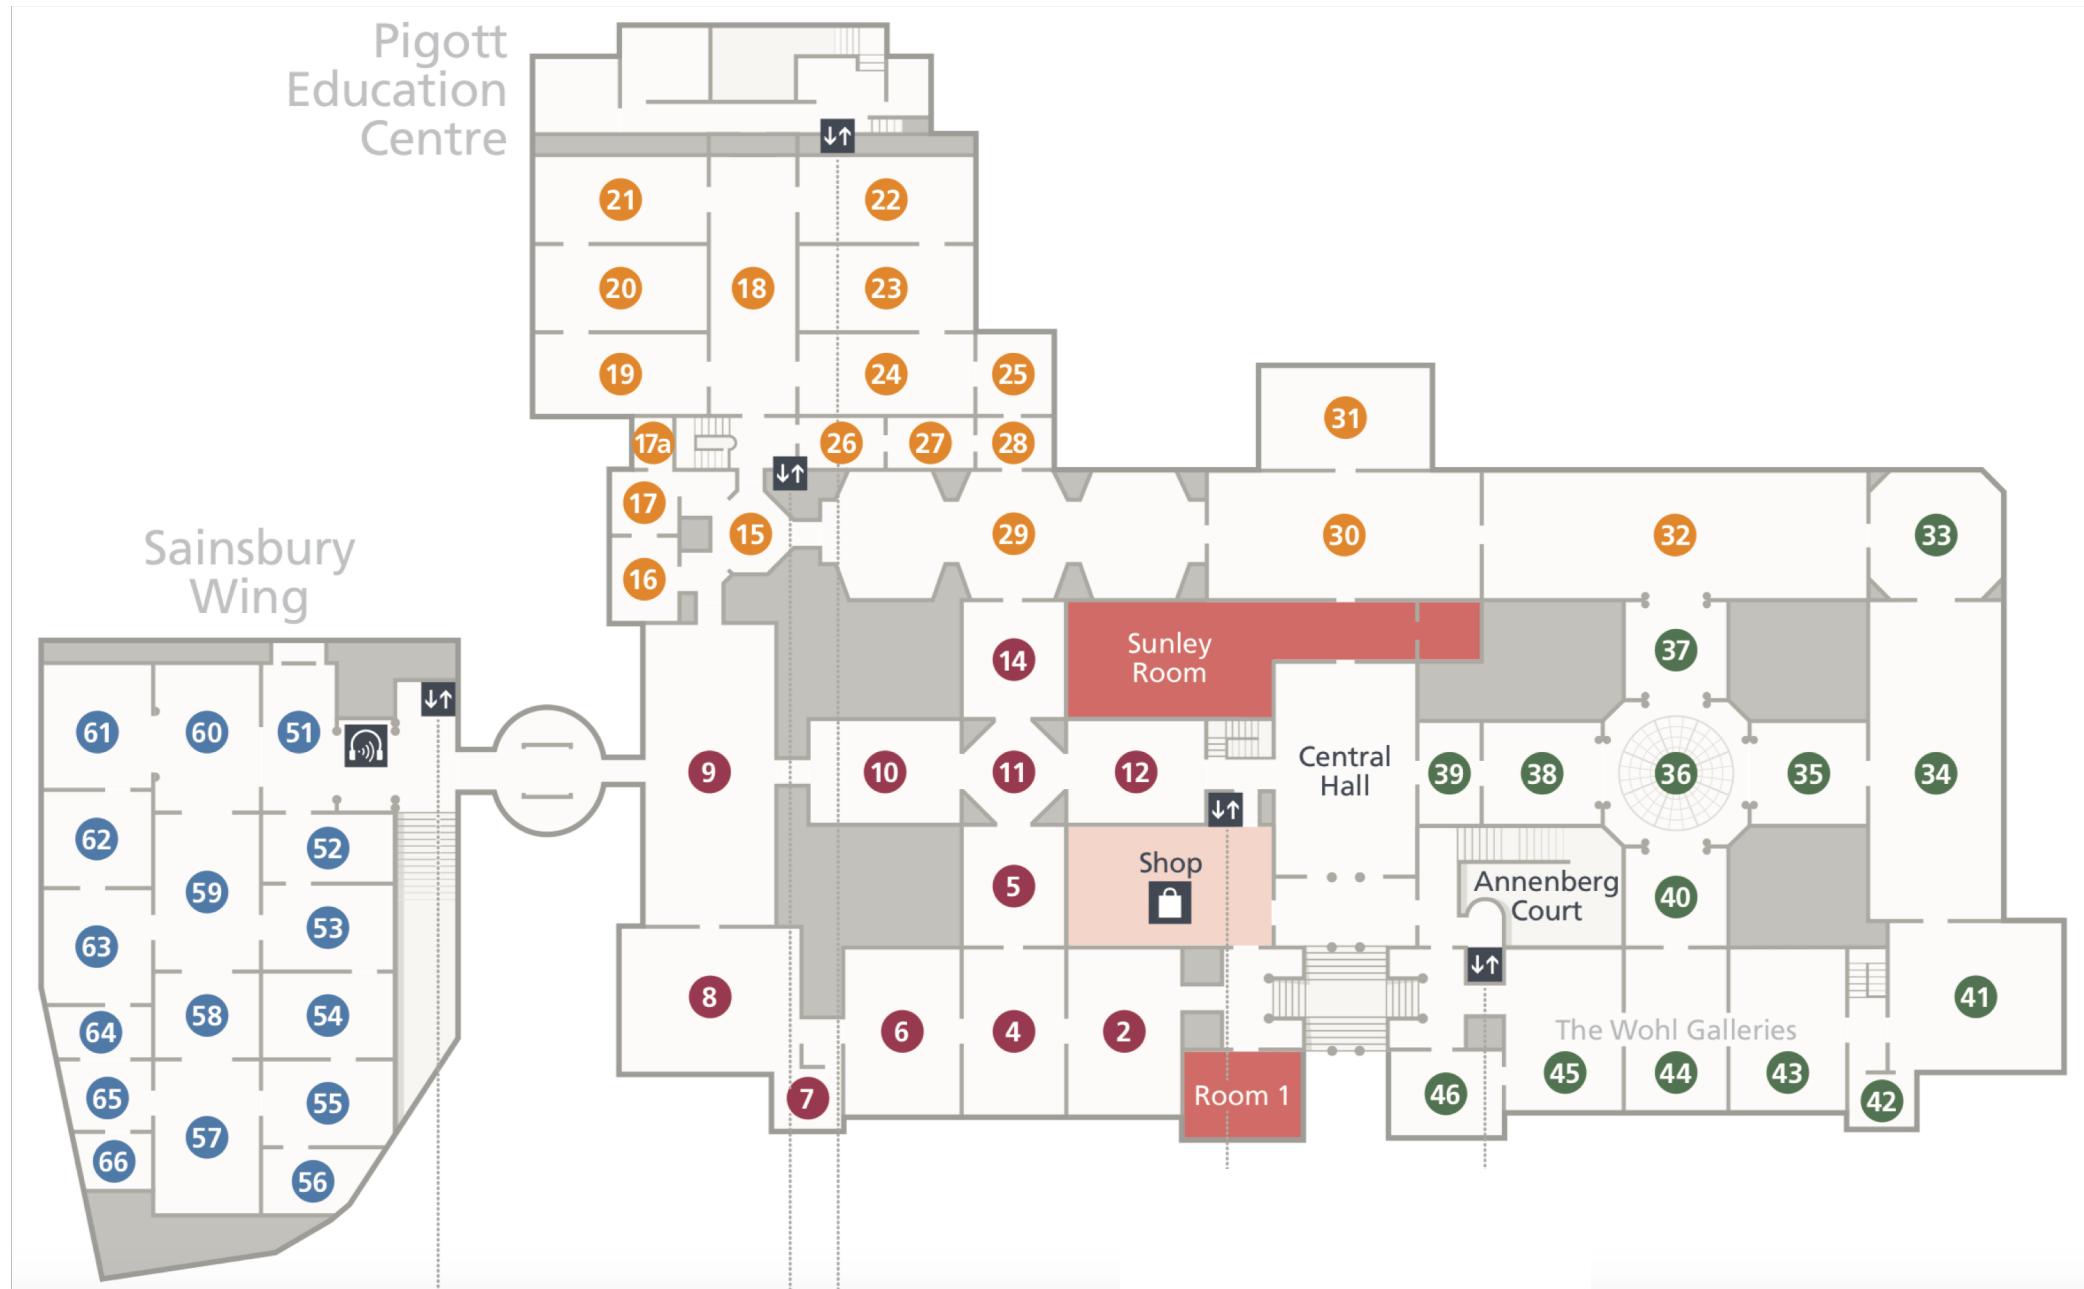

**A: Enter painting
number**

*(Once entering a
number, press A to -1,
B to +1, and A+B to
submit. Enter a number
one digit at a time)*

**B: Show nearby
paintings (clue)**

- This will then give you some other paintings of interest nearby to find. Write down their numbers.

- 1. Find the paintings below**
- 2. Enter their numbers into the micro:bit**
- 3. The micro:bit will give you 2 other paintings to find nearby. Find them and write down their numbers.**
